Upper Quihi school now has two chances to win FARMING'S dictionary at the school meet next spring, having furnished the farm article for the January number. Are the other schools going to let Upper Quihi secure this valuable book by default? There are only three more opportunities—February, March and April—and the time is almost here for the February number to go to press. Every school in the county with a class in agriculture should send in a composition at once for this number. Select some agricultural or rural life subject, have your class compete in writing the theme, then send the best one in at once. The subject for the January number was "Cotton" and it was ably handled by Miss Nora Schuehle of the Seventh grade, Upper Quihi School. See what you can do for your school—and do it right away.

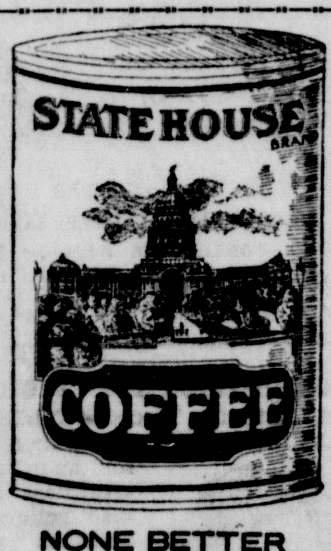

The Anvil Herald has a new correspondent from D'Hanis this week in the person of Miss Nettie Rieber. For almost a year now this position has been very satisfactorily filled by Miss Lillian Wernette, but desiring to devote her time to other matters she very kindly secured Miss Rieber as her successor. The management of this paper appreciates the favors shown Miss Wernette by the people of D'Hanis and hopes the same kind consideration will be extended by them to Miss Rieber. Furnish her with the news of your community activities and help her to represent the community creditably. Any assistance extended her will be greatly appreciated.

H. R. Bailey is offering for sale this week some choice registered O. I. C. bred gilts. Mr. Bailey has been raising the "whites" for the past six years and says it is a common thing for them to weigh from 350 to 400 pounds at eight months of age. He says the breed is well adapted to this climate. Mr. Bailey's stock represents some of the best blood lines to be found in the breed, and if you are interested it will certainly pay you to see Mr. Bailey's stock. Another cycle of high prices for hogs is due to set in soon, if it is indeed not already started, and every man who can keep a pig economically should get in the game at once.

W. H. H. DuBose, the Black Creek berry man, was here the first of the week serving as a county court juror. While here, Mr. DuBose called at this office and advertised a quantity of Dewberry plants for sale. Mr. DuBose has been growing Dewberries successfully for a number of years, often marketing large quantities of the luscious fruit here in Hondo. Mr. DuBose promised us an article on berry growing for publication in an early number of FARMING, and we are sure it will be valuable as it will be based on the practical experience of a successful grower.

The local bank statements, published in this week's paper, show the largest deposits ever in the history of the banks, and relatively the smallest outstanding loans. This shows that our section has been making money, and that people have been paying off their debts. If taxes could be reduced to a point where men with money could be induced to invest in productive enterprises an era of prosperity never known before would follow.

Work is progressing on the park that is being established by the railroad on its land near the depot and it promises to be a beauty spot when completed. Sand is being hauled in and spread over the natural soil and preparations are being made for setting the shrubbery that will ornament the park. It is our understanding that ligustrums will be set opposite every other post, roses will be planted in side the rows of trees, and three mounds will be erected, one bearing the words, "Southern Pacific Railroad," one "Hondo," and one "Medina" or "Medina County." We understand it is the purpose of the railroad company to remove the fence as soon as the shrubbery is sufficiently advanced in size as to no longer need protection, and rustic seats will be provided for those who care to rest in the shade of the trees. This park is being patterned after others the railroad company has established at different points on its line, and will closely resemble the one at Seguin. The work is under the supervision of a landscape engineer in the service of the company. There is no doubt that in a brief time the people of Hondo will be proud of the park, right in the center of their town.

Quite a number of Ex-Service men are receiving their Government Insurance certificates, having completed all necessary proofs. There are some Ex-Service men in the community who have not yet made application, and the local Post of the American Legion urges all to file their claims at once. The term examinations at the Hondo High School will begin next Tuesday afternoon and continue the rest of the week. Children exempt from the examination are not expected at the school building during the period of their exemption.

Weakening Night Coughing Banished Very Simple Way

It is really astonishing how a persistent, exasperating cough that has kept you awake night after night, and is rapidly wearing you down is usually stopped short by a very simple method. Hundreds have found that they can sleep the whole night through undisturbed after the first time they try it.

The method is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. Getting at the cause like this, in a perfectly simple way, it stops the spells almost instantly, you get your best night's rest perhaps in weeks, and in a very short time the whole cough condition is gone.

This simple treatment is splendid not only for coughs and chest colds, but also for bronchitis, bronchial asthma, hoarseness and almost every kind of throat irritation, including children's spasmodic croup. Very economical too, as the dose is only one teaspoonful. On sale at all good druggists. Ask for

Entertainment of the evening

After such strenuous work every
one was glad to be seated while
Leora Horger and Mrs. F. S. Cock-
rell played some very beautiful piano
pieces.

At a late hour very delicious re-
freshments of salad, olives, saltines,

WHAT MY NEIGHBOR SAYS

Is of Interest to Hondo Folks.

When one has had the misfortune
to suffer from backache, headaches,
dizziness, urinary disorders and other
kidney ills—and has found relief
from all this sickness and suffering,
that persons advice is of untold value
to friends and neighbors. The fol-
lowing case is only one among thou-
sands, but it is that of a Hondo resi-
dent. Who could ask for a better
example?

F. H. Bohlen, proprietor of repair
shop, says: "My back ached and I
had a dull pain in my kidneys. I
was often dizzy and black specks
appeared before my eyes. My kid-
neys acted irregularly and the secre-
tions were highly colored and burned
in passage. I used Doan's Pills and
they cured the attack. My back is
now as strong as iron and my
kidneys act regularly."

Price 60c, at all dealers. Don't
simply ask for kidney remedy—get
Doan's Pills—the same that Mr.
Bohlen had. Foster-Milburn Co.,

CHURCH SERVICES.

Owing to bodily affliction, and the likelihood of bad weather, during the winter months, I hereby call in my appointment in the Methodist church at Tarpley, Texas, and announce the next meeting, at 10:30 to 12 midday on the 3rd Sunday, the 15th day of March, 1925.

We kindly ask for a liberal turnout at that time.

REV. J. T. HORGER.

CARD OF THANKS.

I wish to thank the generous people of Hondo for their kindness in coming to my assistance in my recent distress. Your timely contribution was indeed a very great help in my time of trouble, and will be ever gratefully remembered and appreciated.

BURGLARS CAUGHT.

Harry Selveno and Feagen J. Selveno, with perhaps a half dozen others, are in the Hondo Jail with more than a half dozen burglars against them, and another whose name is known but has not been divulged by the officers, is in jail, but whose ultimate capture is almost sure.

This trio, after robbing several stores over in Sabinal, and stealing Hudson's car, were overhauled by Sheriff Harold Matthews and a posse near D'Hanis last Saturday night.

It seems the posse, lead by Sheriff Matthews, arrived in D'Hanis ahead of the thieves, and in returning to Sabinal met them on the road. The posse seeing they were trapped, the car and took to the brush, officers in pursuit. Losing the car in the darkness, the officers returned to D'Hanis. The burglars, who had also and they ran each other on the street near Zinsmeyer Garage. When ordered by the sheriff to throw up their hands, two of them complied, the other answering the demand by a shot from a shotgun, shooting two officers off the right hand of Sheriff Matthews and knocking his pistol from his hand and escaped in the mess, not, however, before several shots had been exchanged between him and members of the posse. One of the other prisoners was armed with a rifle stolen from a hardware store but had no ammunition, otherwise there probably would have been other shooting. The other prisoner was armed merely with a rock. Hondo physician was called and rendered first aid to the wounded man who was later sent to a hospital in San Antonio.

One of the other of the trio is well known, the officers even having a photograph of him, there is but little doubt that he will soon be in the hands of the law. Should he be sentenced his case will come before Medina County Court. As all burglaries were committed in Medina County, the two prisoners in the Medina County Jail will be sent to that County for a trial. It is a pretty safe bet that their case as burglars is at an end, for at some time to come.

Sheriff Bader and deputies, Chas. Bader and C. J. Bless, several officers from the Sheriff's office in San Antonio and two State rangers spent

Thursday in the vicinity of Sabinal beating the brush in search of the third man. They learned that the fugitive had been seen in that section Sunday, but his whereabouts at the time of the officers' visit was disclaimed by those questioned. This man has a long criminal record, but it is quite possible his criminal career is about at an end as a large reward has been offered for him.

As the result of his wound Sheriff Matthews will lose the greater part of his hand, only his thumb and a couple of joints of his index finger being about all the surgeons will be able to save.

Nothing has aroused the resentment of our people to such an extent as this attack on Sheriff Matthews, and there is but little doubt that the offense will be dealt with as it deserves eventually.

MRS. GILLIAM AND MRS. ROBERTS HONOREES.

A number of friends of Mrs. G. W. Gilliam of San Antonio and Mrs. Boyd Roberts of Temple met at the home of Mrs. F. S. Cockrell for an evening of fun Thursday at 7:30. All drove to the Colonial and after an enjoyable picture returned to the home of Mrs. Cockrell for a number of games of "42". Miss Mabel Hollaway won high score and, in cutting for the guest prize, Mrs. G. W. Gilliam won the pretty cut glass basket.

Mrs. Cockrell served a delightful fruit salad course to the following: Mrs. Ray Jennings and Mrs. Ben Oefinger and Miss Gertrude Reilly, Willie Dee Fly, Emma Muennink, Fay Russell, Mabel Hollaway, Helen Lacy, Maggie Cameron and the honorees.
